

West Linn's Centennial Celebration

West Linn was incorporated on August 15, 1913 and the community will celebrate its 100th anniversary throughout 2013! All year long there will be programs, activities, and other recognition of this special milestone for our community.

Throughout the year you'll see the Centennial reflected in many places and in many ways.

The City has planned a 3 day celebration, August 15th, 16th and 17th. See the links below for further information.

A vibrant and active committee of volunteers is planning a year-long celebration of West Linn's centennial. Please visit <http://wl100.org> to get involved and learn more about centennial celebration planning. For more information click the link below.
