City of West Linn to Host Water Master Plan Open House

Open House is Designed for Community Input on Creation of New 20-Year Plan

WEST LINN, OR – The City of West Linn is hosting an open house meeting on Wednesday, September 24, 2008 at 5:30 p.m. at the West Linn Public Library in the Community Meeting Room to discuss the creation of the 20-year water master plan.

This open house provides an opportunity for community input on the water master plan. The City of West Linn welcomes all citizens to stop by the Library between 5:30 and 7:00 p.m. to share perspectives, ideas, concerns, and issues regarding the City's water utility, and the master planning process. The draft of the water master plan will be available for review at the open house. The draft plan is also available for review on the City's web site at http://westlinnoregon.gov.

###

About the City of West Linn:
The City of West Linn is a community where citizens, civic organizations, businesses and city government work together to ensure that the community retains its hometown identity, quality of life, and natural beauty. The estimated population is 24,180. The City Council consists of the Mayor and four Councilors who act as the board of directors of the City of West Linn municipal corporation. The Council sets policies for the city government, enacts ordinances and hires, directs, and evaluates the city manager. Municipal services are provided by City employees and headed by the City Manager. The city operates its own police department, a municipal court, water, wastewater and storm water utilities, street operations, planning, engineering, fleet management, library, and parks and recreation.
