

Several Public Works Projects Will Be Completed by Early September

Press release date: 2010-09-07

WEST LINN - The City of West Linn is completing several projects that will affect West Linn neighbors. Please be advised of the following public projects:

- ***Douglas Park Subdivision:*** Rogue Way will have the final two-inch asphalt lift completed by the first week of September.
- ***Blankenship Road at 13th Street:*** Concrete median work on Blankenship Road and installation of pedestrian activated crossing signals will be completed by the first week of September.
- ***Salamo Road:*** Paving activities will continue from Vista Ridge to Barrington. A pause in paving activities was in effect as the contractor had been installing filter catch basins and working on pedestrian curb ramps.
- ***LDS Church:*** Excavating and half-street paving of Rosemont Road and Shannon Lane on the LDS Church frontage is scheduled to be completed by the first week of September.

Please contact Gene Green at ggreen@westlinnoregon.gov or 503-657-0331 with any questions about these projects.
