### **Primary Image Placement:** Left

The West Linn Adult Community Center is open to any adult 50 years and better in the West Linn area. The Center assists seniors in maintaining an independent lifestyle through city staff, service agencies, and volunteer support. It provides social, recreational, health, and educational services and programs for seniors of the West Linn area.

The Parks and Recreation Department would like to thank all of those people and organizations that have made the West Linn Adult Community Center a reality. Especially, the hard work and dedication of the West Linn Senior Community Group (now Friends of the Adult Community Center), their Board of Directors and all there volunteers. Without them this Adult Community Center would not have been possible.

### Adult Community Center Hours:

Monday - Friday:

9:00 a.m. - 3:00 p.m.

The Adult Community Center has kitchen facilities and meeting rooms that are available for use by community organizations for a fee. Call 503-557-4704 for more information.
