

## Regional Coalition for Clean Rivers and Streams Online Survey

Help us improve the quality of water in your local rivers and streams. Please join our Regional Coalition for Clean Rivers and Streams panel and participate in our online survey. By joining our panel, you will have the opportunity to share your opinions about the health of your community's water with public agencies in the Portland and Vancouver area. Your individual responses will be confidential.

Your opinions are worth being heard! By participating in our survey you will automatically be entered into a raffle worth \$500. Join the panel and [click here to take the online survey now](#).

Thank you in advance for your participation. This notice furnished by the [Regional Coalition for Clean Rivers and Streams](#).
