

GIS Map Disclaimer

Information about West Linn's Geographic Database and Maps:

The information used in these applications were derived from digital databases in the West Linn GIS. Although we strive to provide the best data we can, we sometimes use data developed by sources outside West Linn. Therefore, West Linn cannot accept any responsibility for any errors, omissions, or positional accuracy, and therefore, there are no warranties which accompany this product. Although information from Land Surveys may have been used in the creation of this product, in no way does this product represent or constitute a Land Survey. Users of the information displayed in this map service are strongly cautioned to verify all information before making any decisions.

GIS Standard Map Disclaimer:

This product is for informational purposes and may not have been prepared for, or be suitable for legal, engineering, or surveying purposes. Users of this information should review or consult the primary data and information sources to ascertain the usability of the information.

Wetland Goal 5 Disclaimer (DSL STANDARD):

Information shown on this map is for planning purposes only and wetland information is subject to change. There may be unmapped wetlands subject to regulation and all wetland boundary mapping is approximate. In all cases, actual field conditions determine wetland boundaries. You are advised to contact the Oregon Division of State Lands and the U.S. Army Corps of Engineers with any regulatory questions.

Buildable Lands Inventory and Unit Tracking Disclaimer:

Buildable housing unit numbers are rough theoretical maximum estimates under current zoning and regulatory structure and are not intended to serve as a projection and are to be utilized for general long-range planning purposes only.

Police Incident Disclaimer:

Incident Locations shown on this map do not refer to an exact incident location. Geocoded incident locations are base on approximate intersection or block numbers only. This map does not reflect official crime index totals as reported to the FBI's Uniform Crime Reporting program. The listed crimes are subject to change for a variety of reasons, including late reporting, reclassification of some offenses, and discovery that some offenses were
