

## About West Linn Parks

### **Parks and Recreation Mission Statement**

To provide life enhancing experiences and to promote a healthy community. This is accomplished by providing safe, attractive, and well maintained parks, facilities, trails and open spaces, as well as, creative and challenging recreation programs for the leisure time enjoyment of West Linn citizens of all ages.

The City of West Linn has more than 600 acres of park land, ranging from active-oriented parks with opportunities for sports, picnicking, and playing on playgrounds, to passive-oriented parks with opportunities for walking, biking, and watching wildlife. These parks are complimented by multi-use parks and special use areas, including several riverfront sites, community recreation facilities, and resource and beautification areas, which further enhance the system.
