

Driver Education Program

In cooperation with Clackamas Community College and the West Linn/Wilsonville School District, the City of West Linn Parks and Recreation Department is partnering to provide an ODOT approved Drivers Education Program at West Linn High School and Wilsonville High School. Year-round class times, convenient locations, driver education classes just down the road!

Driver education courses consist of 30+ hours in the classroom plus 12 hours behind-the-wheel (drive times scheduled to fit student schedules).

By the end of the driver education course, students will need to provide documentation in a driving log that they have completed a minimum of 5 hours of behind the wheel driving with an adult. Students will be required to provide this documentation before receiving their driver education certificate of completion.

Now serving students ages 15 and older as well as adults!

Seating is limited and pre-registration is required, include the following items:

- A photocopy of valid Instruction Permit or Driver License (front & back)
- A completed driver education enrollment form
- Payment in the form of money order, check or VISA/Master Card

Program highlights

- 33 Classroom Hours
- Text Books Provided at no extra cost
- 6 Hours Behind-the-Wheel Driving
- 6 Hours Behind-the-Wheel Observation
- State of Oregon - ODOT Approved Certificate
- Potential Insurance Discount
- Meets ODOT requirements for driver education
- Drive times scheduled separately to fit student schedules
