

## Neighborhood Plan

The Parker Crest Neighborhood is located in the central portion of the City, and it feels like a comfortable “home town” within the city. As a microcosm of the larger community, it includes over 500 residences, numerous home-based businesses, public facilities, and open spaces. The neighborhood is bounded on the east by Summit Street, on the north by Rosemont Road, on the west by Salamo Road, and generally on the south by Sabo Lane.
