

## Leaf Cleanup

The City of West Linn asks that homeowners do not place leaves from their yards into the street.

### Leaf Cleanup Responsibilities:

#### CITY OF WEST LINN:

Any leaves that fall naturally into the street are the responsibility of the City and will be picked up during the regular street sweeping schedule (see web link below). **In addition, the City is asking Citizens if they see leaves blocking street storm drains or along the street curb-lines to move the leaves up onto the curb.** This is especially important during heavy rains to prevent street drainage back-ups and flooding.

#### OREGON DEPARTMENT OF TRANSPORTATION:

Leaves that fall along Interstate-205 and Willamette Drive (Hwy 43) are the responsibility of ODOT. You may log your requests with ODOT at their Ask ODOT web link provided below.

#### CITIZENS AND PROPERTY OWNERS:

Leaves that fall into yards are the property owner's responsibility. Leaves can be discarded in regular yard debris cans. Please contact West Linn Refuse for more information on leaf pickup. In addition, West Linn Dan Davis Recycling Facility accepts yard debris and is located in West Linn at 4001 Willamette Falls Drive. See the web link provided below for more information on drop-off times.
