MAGAZINES

The library generally keeps magazines from the current year and the two previous years. Some titles may have longer or shorter retention periods; please check the catalog or contact the Information Desk for more information on retention periods for specific titles. Current issues can be enjoyed in the library. Back issues may be checked out for 14 days, and can be renewed up to 5 times (as long as the item is not on hold for another patron). Overdue fines are \$0.25/day. A YS notation means the magazine is downstairs in the Youth Services section.
