

Computer Class: E-Mail Basics

This introduction to web-based e-mail accounts will teach you the basic skills needed to send and receive e-mail messages. You will learn how to compose and send messages, read messages in your inbox, set up your address book, how to do attachments, and how to deal with spam. Personal e-mail account not required. You must have basic computer skills (i.e., using the mouse and keyboard). Call 503-656-7853, x6 to register.
