

## Computer Class: Digital Photo Basics

You've taken a bunch of photos, you've downloaded them from your camera to your computer...now what? Learn how to organize all your digital photos on your computer, how to share them with others, and how to print them. We'll also cover some basic photo editing using an online image editor. This class will be useful for both Mac and Windows users. Call 503-656-7853, x6 to register.
