Announcement

The City of West Linn requests proposals from firms to design, procure, install, test, and train on operation of a new fuel tank system including dual (side-by-side) 3,000 gallon (total of 6,000 gallons) above ground, double-walled storage tank for one each gasoline and diesel, fuel dispensing and fuel distribution management system.

A mandatory pre-proposal site visit will be held April 10, 2012 at 10:00 AM at the project site at 4100 Norfolk Street, West Linn, OR 97068. POC is Jeff Randall (503) 742-8616.

Complete RFP is available at the City of West Linn website:

<http://westlinnoregon.gov/publicworks/request-proposal-pw-ops-fuel-tank-...>

Proposals must adhere to requirements set forth in the complete RFP document which is also available upon request. Requests for the complete RFP may be directed to: Pat Rich, City of West Linn, 22500 Salamo Rd. #800, West Linn, OR, 97068, 503-722-5501, Fax 503-656-4106, e-mail: prich@westlinnoregon.gov.

If you wish to receive any possible future addendums for this project, please email prich@westlinnoregon.gov with your name, address, phone, fax and email address or call 503-722-5501 to be placed on the plan holders list.

Time and Place to Submit Proposals

Five copies of the proposal must be received by 2:00pm on the 18th of April 2012. Proposals submitted after the above stated time will not be considered. All proposals accepted by the City of West Linn shall remain valid for a period of 90 calendar days from the date accepted by the City.
