**Primary Image Placement:** Left

CategoriesForms, Permits, and Applications

West Linn police report that since February of 2012 there have been over 20 car break-ins concentrated in the Bolton and Savanna Oaks neighborhoods.

A search warrant was served, evidence was recovered and West Linn officers arrested three individuals for ID theft and conspiracy to commit unlawful entry into a motor vehicle. If you believe you are missing property from your vehicle, please review the attached property photo file and submit the below form.

Officers are sorting through the recovered property and will contact potential victims within 30 days. We will use serial numbers, owner applied numbers and other unique characteristics in conjunction with the original police reports filed to reunite electronics with their owner(s).

**PHOTOS** Click here >> [Stolen Property - Case # 12-0181](#)

The phone number for this case is 503-742-6000, do not call the general information number. Please provide the details of the theft, including the date of the theft, the police agency it was reported to, that agency's case number, and all of your contact information. Again due to the anticipated call volume we will return calls in that same 30-day period.

Tip: Registering your device is the best way to ensure that it can be returned to you if it is lost or stolen. The WLPD provides an [Online Device Registration](#) to residents.
