Email listserve - a distribution list of email addresses maintained by the city. The emails are being taken from the meeting sign-in sheets. The listserve will be used for mass communications regarding SNA business.

OLD BUSINESS

Third Annual Summer Picnic – June 22nd: Over 100 meals were served, which consisted of Lion Burgers and hot dogs. We had games for the children and music was provided by the band GlobalFM.

NEW BUSINESS

SNA Neighborhood Plan: Steve Faust, AICP, Associate with Cogan, Owens, Cogan, presented the final version of the SNA Neighborhood Plan. The purpose of the plan is to identify the shared vision of the Sunset neighborhood which expresses the goals, policies and action measures to achieve that vision. In conjunction with broader policies and implementation measures contained within the City's Comprehensive Plan, the neighborhood planning process is intended to protect and enhance livability within specific neighborhoods, as well as help fulfill the overall community vision and create a more livable city. The neighborhood vision, along with goals and policies, were developed based on the results of a questionnaire available on-line and mailed to every neighborhood household in March, 2008. Over several months the steering committee met six times to revise the vision, goals, and policies and actions based on comments received at two publicized SNA meetings.

The plan was approved by those who attended the meeting. It will be sent to the next planning commission meeting on October 1st, for their endorsement. Once approved by the planning commission, the plan will be sent to the city council for their approval. If you are interested in seeing the final version of the plan, go to the SNA link on the city web site. Special thanks to the eight volunteers who served on the steering committee, and also to Steve Faust for his leadership.
