

City of West Linn Receives Distinguished Budget Award for 2010-2011 Biennial Budget

Press release date: 2009-07-30

CHICAGO - The Government Finance Officers Association of the United States and Canada (GFOA) is pleased to announce that City of West Linn, Oregon has received the GFOA's Distinguished Budget Presentation Award for its 2010-2011 biennial budget.

The award represents a significant achievement by the entity. It reflects the commitment of the governing body and staff to meeting the highest principles of governmental budgeting. In order to receive the budget award, the entity had to satisfy nationally recognized guidelines for effective budget presentation. These guidelines are designed to assess how well an entity's budget serves as:

- a policy document
- a financial plan
- an operations guide
- a communications device

Budget documents must be rated "proficient" in all four categories, and the fourteen mandatory criteria within those categories, to receive the award.

When a Distinguished Budget Presentation Award is granted to an entity, a Certificate of Recognition for Budget Presentation is also presented to the individual or department designated as being primarily responsible for its having achieved the award. This has been presented to Finance Department.

Award recipients have pioneered efforts to improve the quality of budgeting and provide an excellent example for other governments throughout North America.

The Government Finance Officers Association is a nonprofit professional association serving over 17,600 government finance professionals throughout North America. The GFOA's Distinguished Budget Presentation Awards Program is the only national awards program in governmental budgeting.
