

## Municipal & Community Development Code

The City of West Linn is pleased to announce monthly code publishing via a contracted service. The [West Linn Municipal Code](#) and [Community Development Code](#) will now be updated on a monthly basis to reflect all ordinance changes adopted by the West Linn City Council. Previously, codes were updated annually to reflect adopted ordinances.

To access the Municipal Code or Community Development Code, please click [here](#). Each document is arranged by chapter that can be "opened" by clicking on the links on the right of the page.

Correspondingly, the link to the code publishing service is accessed from various points on the City web site so citizens have the ability to view updated code documents.
