

Teen Advisory Board

TAB meets the first and third Tuesdays of every month, from 4:30 - 5:30 p.m.

The mission of the Teen Advisory Board (TAB) is to provide guidance and support to the library regarding provision of services to West Linn middle- and high-schoolers. TAB members represent a diversity of educational experiences, including home-schooling, public schools, and alternative venues. If you would like additional information about becoming a TAB member, please contact Elaine Spence, Teen Services Librarian at 503.656.7853, ext. 3030.
