

Street Lights

Published on City of West Linn Oregon Official Website (<http://westlinnoregon.gov>)

Street Lights

Most street lights in West Linn are owned and operated by PGE. The City of West Linn pays for electricity for the street lights. To report an outage or problem with a street light in your neighborhood, please click [here](#) to report it online to PGE.

If you need to speak with someone with the City of West Linn, please contact Public Works at 503-656-6081.
