

Traffic Control Requests

The City has a neighborhood traffic management program. The program exists to promote a safe transportation network through education, law enforcement, and engineering solutions. To submit a traffic issue for review, complete the attached form, and mail to the attention of Jeff Randall; Transportation Division Supervisor; 4100 Norfolk St; West Linn, OR 97068, or email jrandall@westlinnoregon.gov.

Issues generally should be submitted with a neighborhood association concurrence. To find when the next meeting will be held call, please call (503) 657-0331. Neighborhood association meetings may also be found on the Calendar of Events on the City website homepage.
