

Inspections Request Line

Call the Building Division at 503-722-5509 by 7:00 a.m. for same day inspections. When calling for inspections, please provide the following information:

Permit Number, Address of Site, Type of Inspection

Due to the high volume of inspections we can no longer provide AM or PM preferences. Inspections will be done some time between 7AM to 4PM

For water meter placement, please call the Public Works Department at 503-656-6081., For drop-in meter placement, please call at least 48 hours in advance. For dig-in service, please call at least two weeks in advance. Any questions regarding a water bill should be directed to the West Linn Finance Department at 506-656-4261.
