

Party on the Longest Day of the Year

The Teen Advisory Committee's "Party on the Longest Day of the Year" at Willamette Park featured the music of Sleepy and "old school" field games. The Teen Advisory Committee is a volunteer group of West Linn middle & high school students who are working with the West Linn Parks & Recreation Department staff to improve the quality of life for teens in our community. WLP&R TAC members are active, energized students who are trying to make a difference.
