

Salamo Road Grinding and Paving Begins on July 8, 2010

Press release date: 2010-06-28

WEST LINN - Major street subgrade stabilization, grinding and paving along Salamo Road begins on Thursday, July 8, 2010. Residents should expect traffic delays on Salamo Road during this project.

This project is funded from a \$900,000 economic stimulus grant for work along [Salamo Road](#), as well as ADA pedestrian curb ramp work between Crystal Terrance Drive and Rosemont Road.

The sub-contractor for this project is Eagle Elsner. Grind/pave work is planned to begin on July 6, 2010. Please direct any questions about this work to the West Linn Public Works Department at 503-722-5500 or ggreen@westlinnoregon.gov.
