

**On Dec. 2, 2014 we will have a BHTNA meeting at 7 pm in the Pacific West Bank's conference room, 2040 8th Avenue West Linn Oregon 97068.**

AGENDA:

- Brenda Perry and Russ Axelrod will present their vision and action items they will try to implement as newly elected City Council members.
- I expect Timber Creek Roofing to present a "package deal" to the Association neighbors who may want to replace their roofs. This "package" will include a group discount. We will likely use my house as an example: 2 story, 3100 sq ft. This will contribute to and extend our Firewise Community designation that we received last month.
