

Bolton Neighborhood Association

Agenda for meeting

7:00 p.m.

April 19th, 2016

TVFR Station 58, Community Room, corner of Elliott and Buck

- 1) We will briefly go over the agenda and see if we want to add or defer to a future meeting any of the topics.
- 2) We will briefly go over the minutes from March's meeting and make clarifications after which we will vote to accept no changes or ratification of new changes.
- 3) Discuss Poppert Property addition status for Burnside Park.
- 4) Discuss current affairs relating to decisions at City Hall that affect Bolton, and concerns residents want to bring attention to the neighbors.
- 5) Budgeting for 2016 should include a prudent reserve, IT budget and proposals for the ideas listed in February. Those with the ideas from February will have an opportunity to present how to fund them.
- 6) By-Laws voting rules discussion.
- 7) We will wrap this up with suggestions for items on next month's agenda which will hopefully include a change to our voting rule in the bylaws.

Looking forward to seeing you there.
