

Bolton Neighborhood Association
Minutes of September 19, 2011 meeting

The meeting was called to order soon after 7 PM in the Community Room of the Bolton Fire Station.

Clackamas County Sheriffs Officer Nick Watts brought information regarding the up-coming County Public Safety measure. He pointed out that this measure will replace the present budget with the same tax rate.

Troy Bowers and Bill Hill from the "It's Time West Linn" committee spoke to us about the November 8 ballot measure 3-377 to build a new Police Station in the Willamette Neighborhood.

We read through and approved the minutes for April, May and the Special Meeting on June 20 with the addition of "called in response to the possibility that the L.O.-Tigard water treatment expansion lines may go through Bolton Neighborhood"

We read through our By-laws and indicated a couple of additions: the need for a neighborhood website through the city and a committee to document and preserve a pictorial record of the activities BNA sponsors. We will vote on the By-laws at our Oct. 17 meeting.
