

Katie _____ spoke about Measure 90 and urged us to read the measure very carefully and cast a 'no' vote. She feels that it is poorly written and the yes campaign is big business with lots of money.

Roberta Swartz takes the floor and discusses the 'pit' on Mapleton Drive and also the Arch Bridge project along with a vicinity map. She wants to give the grant money back and we can plan our own development. She mentions concerns regarding the differences in the grant proposal and what the city is proposing in the master plan .

Peggy Kirkendall gives out information on website wlneighbor.com Proposes to meet every two weeks to keep abreast of the situation. Council to vote on this master plan proposal in December.

Angela Dreher has written a response to the master plan proposition that she is submitting to the Tidings. Reads it to the group.

John Kovash says that this is the first time that he has heard that there are strings attached to the Metro Grant. He introduces Sara from the planning department and she goes over the map and outlines the major points of the master plan. She mentions that they were not invited to the meeting and only found out about it today.

There is a motion to accept resolution by Angela Dreher which is re-read by Peggy Kirkendall. The motion is seconded by _____. It is decided that we will vote at the next meeting.

The city is coming back next month to discuss once again.

We did not make it to the rest of the meeting agenda.

The meeting is not officially adjourned but ends approximately at 8:15pm.
