

The meeting was called to order at 7:10 in the Bolton School Cafetorium.

To follow up on our Metro Councilor, Carlotta Collette's presentation on Urban and Rural Reserves some time ago West Linn Planning Director, Bryan Brown spoke updating us on the progress of that project. His participation is as a member of the Technical Advisory Committee. A large steering committee is working but only a representative from the three counties and Metro will have the final vote and they must agree! Each of these groups have a process to come to that point. Mayor King is in the Clackamas County Advisory committee and they have been meeting in order to make a recommendation to the County Board of Commissioners.

Concerns: Density, will West Linn be credited for exceeding prior Metro requirements?

Sally asked if members had received a copy of the newspaper section on "The Big Look". (It was in the Sept. 11 newspapers) She has sent for the "Meeting in a Box".

Sgt. Schleining introduced a new W.L. police officer and updated us on police activity of late.

It was announced the "League of West Linn Neighborhoods" will be sponsoring a forum for W.L. Council Candidates October 2, 7 PM at City Hall and for Mayoral Candidates on October 9, same time and place. They will be rebroadcast over Channel 23 until election. Questions were solicited from BNA members.

It was voted to go ahead with an October 11 Dumpster Day with 3 dumpsters behind the Police Station as usual from 9-1.

Roger updated us on our Walking Tour Brochure funding request. All W.L. requests for Tourism Funding was denied. There is possibility of funding at a later date.

Submitted by Sally McLarty, Pres.
