

Revision: February 2009

TACTICAL PLANNING:

PRIORIZED ACTION: Prioritized Funded Efforts in partnership with City of West Linn:

1. Sidewalk Plan Implemented: Focused to Willamette Falls Drive from 10th street to Fields Park Bridge.
2. Strengthen our Historic District by working toward National Historic Registry designation, having a historic resource person in the planning department and reexamining the code dealing with residential building.
3. Develop an Indoor Community Center and Pool for West Linn families; develop a task force to work with the city. We see this as the only priority for Parks & Rec. Dept recognizing the excellent outdoor facilities already available.
4. Complete the Trail from Willamette Park to Willamette Falls
5. Community Communications: Quarterly WNA Outreach for upcoming issues and events.
6. Support for local businesses: Main Street Project, Farmers Market, main street lighting.

We recognize that we cannot do everything at once. We have very clearly prioritized the most important efforts for the health of our
