

## **Willamette Neighborhood Association**

### **Accomplishments 2008**

Much of our efforts this past year were focused on the Willamette Centennial Celebration. To this end we collaborated with the Centennial Committee on:

- Selling T shirts
- Ice cream social and ceremony
- Street dance
- Old fashion baseball game
- Selling commemorative pavers
- Living history tour
- Purchase of bench and building of the walkway in Willamette Park

As well we have maintained our traditional roles

- Organizing the parade for the Old Fashion Fair
- Planting, pruning, and weeding the planters on Willamette Fall Dr in the business district
- Updating and reprinting the Willamette Walking Tour brochure

We continued our support for and presence at booths at

- The West Linn farmers market
- The Lock Fest

At our monthly neighborhood association meetings we communicate with

- Our neighbors
- Our community police force representative
- Representatives from the Willamette business district
- Speakers from the City or commercial interests with projects that impact our neighborhood

A new endeavor this year is

- Live Christmas tree sales and tree donations with the City Parks and Recreation Department
