

# The Future of Transit Southwest Service Enhancement Plan

**Presentation to the West Linn City Council  
August 4, 2014**

[www.trimet.org/future](http://www.trimet.org/future)

# Service Enhancement Plans

A meaningful public engagement for creating a shared vision  
for making transit better

- Better serve the growing region
- More local and regional service
- Connections to jobs, education and services in communities and throughout the region

# Where We Are In The Process

Public Outreach & Research Existing Plans

Collect & Map Data

Determine & Share Common Themes

Draft Transit Service Vision & Partnership Opportunities

Gather Feedback

Refine & Finalize Transit Service Vision
