## About Goodwill Donations:

At each clean up day location, Goodwill Industries can accept your charitable goods donations which will help Goodwill continue its mission of providing vocational opportunities to people with barriers to employment.

The sale of donated goods in Goodwill's 36 retail and four outlet stores generates revenue for Goodwill which allows them to serve thousands of individuals annually in Oregon. Goodwill recycles all computer equipment, laptops, monitors, and TVs free of charge. Any items that are not accepted by Goodwill can be dumped in the provided trash bins.

## About Trash Bins:

Each clean up day location will also feature trash bins for items that cannot be recycled with Goodwill.

Bins can accept on a first come, first service basis: metals, white goods, tires, furniture, bicycles, wood, building supplies, and other household items in the trash bins. We cannot accept yard debris, curbside recyclables, household waste, or hazardous waste.

VOLUNTEERS  
WILL HELP YOU
