

Memorandum

Date: August 1, 2014

To: John Kovash, Mayor
Members, West Linn City Council

From: Kirsten Wyatt, Assistant City Manager

CC: Chris Jordan, City Manager

Subject: Miscellaneous Items

Monday, August 4 Work Session

Monday's work session agenda includes special presentations from TriMet and the Sustainability Advisory Board. The agenda also includes discussions on the NA merger proposal, the Transportation Advisory Board recommendations for on-street trails, and the Skyline Drive pedestrian and bike access ballot item. We will conclude the agenda with a review of the August 11 agenda.

Monday, August 11 Council Meeting

The Monday, August 11 Council Meeting will begin with the grand opening of the police station. A complete run-of-show will be sent to you next week, but in general, the program will include the pledge of allegiance from a local girl scout troop, some musical entertainment by some local singers, opportunities to speak about the police station for the city council members, and the official opening of the station. We are actively working to allow for the council to hold their meeting that evening in the police station conference room. If presentation capabilities are not available in the conference room at that time, we may need to move back up to City Hall for the meeting. We will provide ample notice about the location for the council meeting next week.
