Thank you Stone in Love!! I was so glad when you could perform at our private event. It was the most fantastic time and more than we even hoped for. You guys were fun, professional, had great communication and a true joy to work with. The guests haven't stopped talking about it and I haven't been able to stop singing the songs in my head! It was an unforgettable evening. Thank you so very very much!! We will see you again, I'm sure.

"We work with dozens of tribute bands, and Stone In Love: A Tribute to Journey is clearly the creme of the crop. Their event at our venue sold out (over 700 people in attendance) and the crowd went crazy throughout entire concert...the band thrilled attendees and sponsors alike. We literally sold out of one of our sponsor's beer, and that never happens! On top of putting on a great show, they are extremely professional. They plan ahead, communicate frequently, keep commitments, and market their shows relentlessly. Booking Stone in Love for another show is a no-brainer."

I just wanted to take a moment to thank you, Stone in Love, and the rest of the crew for such an amazing show at The Alberta Rose Theatre. Stone in Love is a top notch act. From the moment we started working with you the level of professionalism was refreshing. The planning and promotion that was done before the show date by Stone in Love made the event over the top successful. The event itself was a show of shows, with such attention to the stage set, sound, lights, and of course the songs. This is what entertainment is all about. The crowd loved every minute of it, new fans and old. The Alberta Rose had one of it's most successful nights with food and beverage sales since it's inception. Good luck on your upcoming shows and let's plan another event soon.
