Re: The White Oak Savanna

RESOLUTION NO. 1-2009

We the members of the Parker Crest Neighborhood Association, recognize the significance of the White Oak Savanna located at the corner of Blankenship Road and Tannler Drive in West Linn and support the actions of The Trust for Public Lands and others in making this area Accessible and preserving it as a Natural Area for the community and,

Whereas the 14 acre White Oak Savanna represents a significant opportunity to protect , restore and make publicly accessible one of the region's threatened oak savanna habitats, and

Whereas the White Oak Savanna is representative of the communities commitment to preserving nature in the neighborhood, precious native resources, wild and scenic vistas for generations to come, and

Whereas the various groups supporting this area have created a partnership opportunity with The Trust for Public Lands, Metro, the Oregon Park and Recreation Department and the City of West Linn in support of the fore-mentioned purposes.

Therefore, be it resolved that the Parker Crest Neighborhood Association supports the efforts mentioned above and joins the group of constituents who are engaged in purchasing, preserving and making accessible the White Oak Savanna as a Natural Park.

This resolution was passed unanimously by the membership, on May 27, 2009.
