Make-up Artist: Looking for an experienced or semi-experienced make-up artist, experience with airbrush preferred but will train. We will be processing a large volume of actors in a short time period. This is a Halloween event so creativity is more important than perfection; we are looking for scary and gothic as opposed to runway.

Actor / Actress: Both speaking and non-speaking roles available, ability to perform recurring short skits. Costume position utilizing masks, make-up and or prosthetics. Timing and intensity a must, creativity a plus.
