## To Register:

Please complete the registration form on the reverse side of this page. Your payment will be processed upon receipt of your registration and we will email or send you a classroom confirmation. BTW schedules will be confirmed the week prior to your first class. (BTW is scheduled once we've received the majority of applications in order to ensure all students have drive partners and a car and instructor are available for the time.)

**STEP 1:** Remember to include a photocopy of your current driver **permit or license**.

**STEP 2:** To select your driving times rank **seven** choices in order of preference. Since there are limited openings per drive time, this will enable us to assign you another lab time if your first choice for driving has been filled. Forms will be processed in the order they are received. We'll contact you if your selected driving or class time is not available. Please respond quickly, since the driving times continue to fill.

*In order for each student to have a driving partner, it may be necessary to reassign your driving time. You will be notified of any changes prior to or during your first classroom session.*
