The Rules

Visit all **8** of the listed trails. Each trail will have a letter posted in a secret spot for you to find! Use the clue on each page to figure out where the letter is and then write it down in your book. These letters will be used for your final task! **Two** more letters will need to be found at the West Linn Public Library for you to complete your final task.

This passport will also take you to Parks and Rec and events and the Summer Street Market. Between these events you only need to collect a total of **3** stamps from the information booths.

Once you've found all the letters list them on one of the last pages in the book and unscramble them! Completing this puzzle and collecting the three stamps means it's time for you to turn in your book to the Parks and Rec Dept., 22500 Salamo Dr., for a prize!

Deadline is September 9.
