

CITY OF

West Linn

Memorandum

TO: Chris Jordan, City Manager

FROM: Chris Kerr, Senior Planner

DATE: November 7, 2008

SUBJECT: New Transportation System Plan ("TSP"); amendments to the Comprehensive Plan and associated Community Development Code ("CDC") amendments (PLN-08-07 / CDC 08-01)

This item is tentatively scheduled for the December 8, 2008 City Council meeting. The Planning Commission held their hearing on this project on November 5, 2008, but continued the hearing to allow for additional review and comment on the TSP. The project is now scheduled to be heard by the Commission on December 3rd, at which time they will make a formal recommendation on this legislative item.

Owing to the close proximity of the PC meeting and Council meeting dates, you can anticipate that, on December 5th, Staff will be providing the Council with a Memorandum that includes a summary of the Commission's December 3rd hearing, including their formal recommendation and the details of their discussion on this item.

Due to the size of the agenda package for this item, and in order to allow the Council additional time to review its components, Staff is providing you with the complete final Staff Report which was provided to the Planning Commission. It includes the proposed TSP, the recommended amendments to the Comprehensive Plan and the draft CDC amendments.
