**Re: City of West Linn File No. PUD-09-01; Request for Continuation of
July 29, 2009 Planning Commission Hearing to September 2, 2009**

Dear Mr. Kerr:

This office represents the applicant. As we discussed earlier today, on behalf of my client, this letter requests that the Planning Commission hearing scheduled for July 29, 2009 be continued, with new notice to parties entitled to notice and those who have appeared orally and in writing before the Planning Commission, to September 2, 2009 at 7:00 p.m. The reason that my client is requesting the continuance is to allow him to have an adequate opportunity to discuss with staff the granting of a conservation easement (without public access) west of the riparian area. My client had previously rejected this concept, but is now willing to consider it. His willingness to explore the grant is not a waiver of any issue raised thus far in the hearing on his application.

Pursuant to ORS 227.178(5), the applicant hereby extends the 120-day clock in this application for an additional 35 days, the period of continuance between July 29, 2009 and September 2, 2009 hearings.
