

**CITY OF WEST LINN**  
**PLANNING DIRECTOR DECISION**

**FILE NO. MIS-09-02**

The West Linn Planning Director is considering the request of Homer Wodsworth for a Floodway Management Area Permit to expand a second floor sun room/living space at the rear of 5725 River Street. The sun room will be elevated on top of pilings/posts to the extent that no living space or enclosed space will be below the addition. Floodway Management Permits are primarily concerned with the impact of new construction on floodwaters and since no at grade enclosures are proposed, the impact is expected to be negligible. The decision will be based on the approval criteria in Chapter 27 of the Community Development Code. A summary of the specific approval criteria is available for review at City Hall, in the CDC at the City Library, and on our website [www.ci.west-linn.or.us](http://www.ci.west-linn.or.us). There is no public hearing.

The property is also identified as Tax Lot 300, Clackamas County Assessor's Map 2-2E-30 BD.
