

**CITY OF WEST LINN
PLANNING COMMISSION
PUBLIC HEARING NOTICE
FILE NO. DR-09-05**

The West Linn Planning Commission is scheduled to hold a public hearing, on **Wednesday, January 6, 2010, starting at 7:00 p.m.** in the Council Chambers of City Hall (located at 22500 Salamo Road, West Linn, OR,) to consider the request of the West Linn-Wilsonville School District to construct a one way driveway around the northwest corner of the Rosemont Middle School. The driveway would make it possible for school buses to enter the site from Salamo Road, load and unload students and then exit the site via an existing driveway on Rosemont Road. This driveway would help reduce conflicts and delays with vehicles driven by parents picking up and dropping off students in the main parking lot. It is expected that improved safety and a more efficient circulation of traffic could be achieved. This requires a Class II Design Review permit. Also included in the proposal are 40-foot tall light poles to illuminate the baseball and soccer fields. The approval criteria for the Class II Design Review are contained in Community Development Code (CDC) Chapter 55. Approval or disapproval of the request by the Planning Commission will be based upon these criteria and these criteria only. At the hearing, it is important that comments relate specifically to the applicable criteria listed.

The proposed site is located at tax lot 701 of Clackamas County Assessor's Map 2-1E-26A. The address is 20001 Salamo Road.

The complete application in the above noted file is available for inspection at no cost, or copies can be obtained for a minimal charge per page. At least ten days prior to the hearing, a copy of the staff report will be available for inspection. For further information, please contact Peter Spir, Associate Planner, at City Hall, 22500 Salamo Road, West Linn, OR 97068, or by email at pspir@westlinnoregon.gov or by telephone at 503-723-2539.

The hearing will be conducted in accordance with the rules of Section 99.170 of the Community Development Code, adopted December 14, 1987, Ordinance 1129. Anyone wishing to present written testimony on this proposed action may do so in writing prior to, or at the public hearing. Oral testimony may be presented at the public hearing. At the public hearing, the Planning Commission will receive a staff report presentation from the City Planner; and invite both oral and written testimony. The Planning Commission may continue the public hearing to another meeting to obtain additional information, or close the public hearing and take action on the application. If a person submits evidence in support of the application, any party is entitled to request a continuance of the hearing. If there is no continuance granted at the hearing, any participant in the hearing may request that the record remain open for at least seven days after the hearing. Failure to raise an issue in person or by letter at some point prior to the close of the hearing, or failure to provide sufficient specificity to afford the decision maker an opportunity to respond to the issue, precludes an appeal to the Land Use Board of Appeals (LUBA) based on that issue.
