The West Linn City Council is scheduled to hold a public hearing on Monday, November 10, at 6:30 p.m., in the Council Chambers of City Hall, 22500 Salamo Road, West Linn, to consider a proposal to repeal and replace Community Development Code Chapter 24, move and consolidate chapters 34, 36, 37, 38, and 43 to form Chapter 17, add provisions relating to cluster, cottage, and zero lot line housing and amending chapters 2, 8, 9, 10, 11, 12, 13, 14, 15, 18, 19, 21, 22, 23, 28, 55, 59 and 85.

The hearing will be conducted in accordance with the rules of CDC Section 98.120. Anyone wishing to present written testimony on this proposed action may do so in writing prior to, or at the public hearing. Oral testimony may be presented at the public hearing. At the public hearing, the City Council will receive a staff presentation, and invite both oral and written testimony. The City Council may continue the public hearing to another meeting to obtain additional information, leave the record open, or close the public hearing and take action on the proposed amendments as provided by state law. Failure to raise an issue in person or by letter at some point prior to the close of the hearing, or failure to provide sufficient specificity to afford the decision maker an opportunity to respond to the issue, precludes an appeal to the Land Use Board of Appeals (LUBA) based on that issue.

The proposed land use regulations are available for inspection at City Hall, 22500 Salamo Road, West Linn, OR 97068. A copy is available for purchase at a minimal charge. At least 10 days prior to the hearing, a copy of the proposed amendments and associated staff report will be available for inspection and also on the City's web site at <http://westlinnoregon.gov/planning/cdc-amendments-multiple-chapters-pud-and-infill-housing>. In addition, the project file CDC-10-02, PUD and Infill Housing, containing the proposed chapter replacement, repeal, amendments and related information is available for review at the Planning Department.

The City Council will make a final decision regarding the proposed amendments following the public hearing.
