

**CITY OF WEST LINN
PLANNING DIRECTOR DECISION**

FILE NO. WAP-10-02

The West Linn Planning Director is considering the request of Laura and Damon Sabo for a Water Resource Area permit for a new single-family residence at 3232 Sabo Lane. The permit is necessary because part of the lot, and part of the proposed building site on the lot, are within the transition area of Tanner Creek and its adjacent wetland. The decision will be based on the approval criteria in Chapter 32 of the Community Development Code (CDC). The approval criteria from the CDC are available for review at City Hall, at the City Library, and on the Planning Department's page of the City's website under Documents/CDC.
