The site is in the R-10 zone. The criteria for that zone are found in CDC Chapter 11. Subdivision criteria are found in Chapter 85 of the CDC. The complete application in the above noted file is available for inspection at no cost at City hall or via the web site <http://westlinnoregon.gov/planning/4111-elmran-drive-extension-approval-6-lot-subdivision>, or copies can be obtained for a minimal charge per page. The hearing will be conducted in accordance with the rules of Section 99.170 of the Community Development Code. Anyone wishing to present written testimony on this proposed action may do so in writing prior to, or at the public hearing. Oral testimony may be presented at the public hearing. At the public hearing, the Planning Commission will receive a staff report presentation from the City Planner; and invite both oral and written testimony. The Planning Commission may continue the public hearing to another meeting to obtain additional information, or close the public hearing and take action on the application. If a person submits evidence in support of the application, any party is entitled to request a continuance of the hearing. If there is no continuance granted at the hearing, any participant in the hearing may request that the record remain open for at least seven days after the hearing. Failure to raise an issue in person or by letter at some point prior to the close of the hearing, or failure to provide sufficient specificity to afford the decision maker an opportunity to respond to the issue, precludes an appeal to the Land Use Board of Appeals (LUBA) based on that issue.
