Date: July 2, 2014

To: John Kovash, Mayor
Members, West Linn City Council

From: Peter Spir, Planning Department

Through: Chris Kerr, Community Development Director CK
Chris Jordan, City Manager *CJ*

Subject: Annexation of 2.126 acres of land at 21328 Bland Circle.

Purpose:

The owners of property at 23128 Bland Circle are requesting annexation to the City of West Linn.

The City of West Linn has a concurrent two-step process for consideration of annexation requests. Step 1 will include a hearing to consider the land use aspects of the annexation request. Step 2 is a policy decision. The Council may, in its discretion, pass a resolution placing an annexation request on a ballot before the voters, as required by the City Charter. An annexation to the City is not effective unless it is approved by a majority vote among the City's electorate.

Question(s) for Council:

Step 1: Land Use Decision

1. Does the application for 21328 Bland Circle meet the criteria in CDC Chapter 81 for annexation of the property?

Step 2: Policy Decision

2. Does the City Council want to adopt Resolution 2014-10 to place the annexation for 21328 Bland Circle on the November 4, 2014, ballot?

Public Hearing Required:

Yes, but a hearing is only required for the Step 1: Land Use Decision.

Background and Discussion:**Step 1: Land Use Decision**

The subject property, occupied by a large house, is located at 23128 Bland Circle. The property is located a third of a mile within the Urban Growth Boundary (UGB) and City limits. The neighborhood is substantially built out with single family homes. Both properties to the east and west were recently approved for subdivisions and are in the process of development. The City's Bland Water Reservoir lies to the north of the property. If annexed, the property is proposed to have a zoning designation of R-7 consistent with the surrounding zoning. The property has been included in all of the City's adopted long-range facility and capital improvement plans. All necessary utilities are available to serve the property. The approval criteria for annexations are contained in CDC Chapter 81, Boundary Changes. The Staff Report for this project is attached discussing all of the land use criteria. Staff finds that the application meets all of the criteria.

Step 2: Policy Decision

This property is an "island" not annexed to the City, as such; annexation to the City would promote the timely, orderly, and economic provision of public facilities and services. The City's water, sewer, surface water, transportation system plans anticipated annexation of this area and can accommodate serving this property.

In 2006, the City Council adopted Policies Discouraging Destruction of Natural Resources and Significant Trees. The applicant has confirmed that there have not been modifications to the trees or other natural resources on the site. Staff has used site visits and aerial photographs to confirm that no trees have been removed since the application was submitted. Also, the property owner confirms that no trees have been removed. No other modifications to natural resources are noted.

Budget Impact:

Annexation would bring this property, which has utilized many City facilities for years, onto the City's tax rolls and make it subject to all fees and assessments.

Council Options:**Step 1: Land Use Decision**

1. Approve the annexation application.
2. Deny the annexation application and end consideration of this property for annexation.

Step 2: Policy Decision

1. Adopt Resolution 2014-9 placing the annexation of 23128 Bland Circle on the November 4, 2014 ballot.

2. Decline to adopt Resolution 2014-9 ending consideration of this property for annexation.

Staff Recommendation:

Step 1: Land Use Decision

Staff recommends the City Council approve the annexation application.

Step 2: Policy Decision

Staff recommends the City Council adopt Resolution 2014-9 placing the annexation of 2.126 acres of real property at 23128 Bland Circle before the voters on the November 4, 2014 ballot.

Potential Motions:

Step 1: Land Use Decision

I move to approve the annexation of 2.126 acres of real property at 23128 Bland Circle (Land Use Case Number: ANX-14-03).

Step 2: Policy Decision

I move to adopt Resolution 2014-9 placing the annexation of 23128 Bland Circle on the November 4, 2014, ballot.

EXECUTIVE SUMMARY

This is a hearing to review the land use aspect of an annexation request of the property located at 23128 Bland Circle. If annexed, the property is proposed to have a zoning designation of R-7. The applicable approval criteria are located in Community Development Code (CDC) Chapter 81, which refer to the Metro Code, West Linn Municipal Code, and Oregon Revised Statutes. The property is one of several that form an "island" surrounded by the City. It is located within the Urban Growth Boundary, is suitable for development, and can be serviced with utilities.

BACKGROUND

Site Conditions: The area to be annexed, outlined in red below, comprises 2.125 acres. The property is a single tax lot of record owned by Laurie and John Coppedge. The property is a third of a mile within the UGB and the City limits. In addition to the large existing home, there is also a small accessory structure at the south west corner of the property near Bland Circle. The

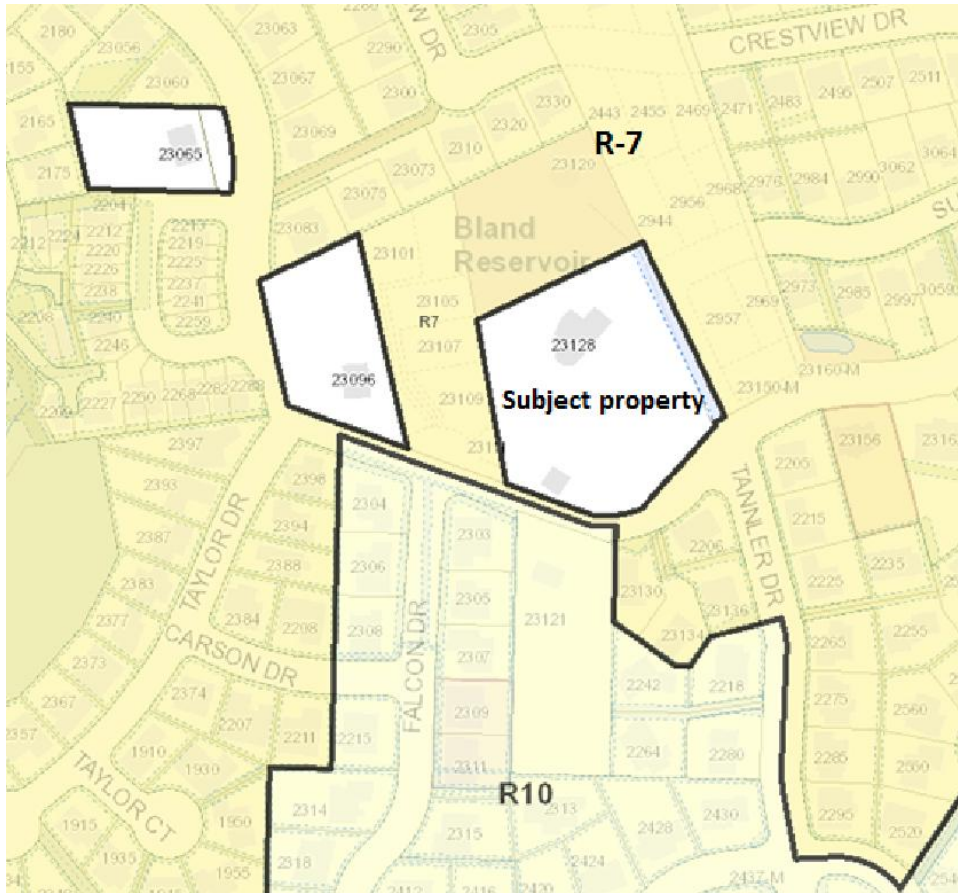

surrounding neighborhood is substantially built out with single family homes at urban densities. The properties to the immediate east and west have been approved for subdivisions with R-7 densities. The City's Bland Water Reservoir is to the immediate north of the property.

Topography: The property has an average slope of 10 percent from its high point of 530 feet at the north or rear of the property down to Bland Circle which has an elevation of 500 feet. The property is home to a stand of trees, predominantly conifers, several of which are likely to be classified as significant. These site conditions are not expected to represent an impediment to development.

Zoning: The property has a Comprehensive Plan designation of Low Density Residential and, if annexed, the property could receive an R-7 zoning district designation. The R-7 zone is a single-family residential detached and attached district with a 7,000 square foot minimum lot size. This zone is consistent with R-7 zoning to the north, east, south and west and the pattern of nearby residential development. There is R-10 zoning to the southwest. The properties to the west and east were both recently approved for subdivisions.

Utilities: In accordance with City Master Plans, the area can be served by water, sanitary sewer, and storm water. The owner or developer is financially and technically responsible for construction of the connections.

Public comments:

No public comments have been received to date.

RECOMMENDATION

Staff recommends approval of the Step 1 Land Use Decision by approving the annexation application for 23128 Bland Circle, and, if annexed, designate the property R-7, single family residential.

**ADDENDUM
APPLICABLE REGULATIONS AND ASSOCIATED FINDINGS**

OREGON REVISED STATUTES

222.111 Authority and procedure for annexation.

(1) When a proposal containing the terms of annexation is approved in the manner provided by the charter of the annexing city or by ORS 222.111 to 222.180 or 222.840 to 222.915, the boundaries of any city may be extended by the annexation of territory that is not within a city and that is contiguous to the city or separated from it only by a public right of way or a stream, bay, lake or other body of water. Such territory may lie either wholly or partially within or without the same county in which the city lies.

Finding 1: The property is appropriate for annexation since it is within the Metro Urban Growth Boundary and is an “island” that is surrounded by the City. It is adjacent to incorporated properties and right-of-way. The criterion is met.

METRO CODE

3.09.040 Requirements for Petitions

A. A petition for a boundary change must contain the following information:

...

4. For boundary changes under ORS 198.855(3), 198.857, 222.125 or 222.170, statements of consent to the annexation signed by the requisite number of owners or electors.

Finding 2: This annexation application was initiated pursuant to ORS 222.125. The applicant submitted statements of consent to the annexation signed by all of the owners and electors within the property proposed to be annexed. The criterion is met.

3.09.045 EXPEDITED DECISIONS

A. The governing body of a city or Metro may use the process set forth in this section for minor boundary changes for which the petition is accompanied by the written consents of one hundred percent of property owners and at least fifty percent of the electors, if any, within the affected territory. No public hearing is required.

B. The expedited process must provide for a minimum of 20 days' notice prior to the date set for decision to all necessary parties and other persons entitled to notice by the laws of the city or Metro. The notice shall state that the petition is subject to the expedited process unless a necessary party gives written notice of its objection to the boundary change.

C. At least seven days prior to the date of decision the city or Metro shall make available to the public a report that includes the following information:

1. *The extent to which urban services are available to serve the affected territory, including any extraterritorial extensions of service;*
2. *Whether the proposed boundary change will result in the withdrawal of the affected territory from the legal boundary of any necessary party; and*
3. *The proposed effective date of the boundary change.*

D. To approve a boundary change through an expedited process, the city shall...

Finding 3: The subject property can be considered an expedited annexation since 100% of the property owners and electors have provided written consent regarding the annexation (Johnny and Laurie Coppedge). These signatures have been reviewed and validated by the County Assessor’s Office. Notice and the information required in Subsection (C) will be made as required. The criteria are met.

COMMUNITY DEVELOPMENT CODE

CHAPTER 81, BOUNDARY CHANGES

81.050 APPROVAL CRITERIA

A. The City Council shall approve or deny a boundary change proposal based on findings and conclusions addressing the following criteria:

1. *If an annexation, the proposal complies with the requirements of Municipal Code Section 2.920(1); and*
2. *For all boundary changes, the proposal complies with the criteria of Metro Code Section 3.09.050(d) and, if applicable, (e).*

Finding 4: Regarding Subsection (A)(1) above, before that subsection was amended on June 16, 2014, it read, “Consideration of a proposal to annex property the City shall follow a two-step process. Step one shall include review of the land use aspect of the petition pursuant to Community Development Code Section 81.” Thus, it was a reference back to Chapter 81, but it did not contain any additional criteria to apply. The amended WLMC 2.920 no longer has subsections. Similarly, WLMC 2.920 contains a reference to Chapter 81, and it does not contain any additional criteria. This application complies with the provisions of 2.920 through responses to Metro Code 3.09.045(D) and (E) below.

Metro 3.09.045

D. To approve a boundary change through an expedited process, the city shall:

- 1. Find that the change is consistent with expressly applicable provisions in:*
 - a. Any applicable urban service agreement adopted pursuant to ORS 195.065;*
 - b. Any applicable annexation plan adopted pursuant to ORS 195.205;*
 - c. Any applicable cooperative planning agreement adopted pursuant to ORS 195.020(2) between the affected entity and a necessary party;*
 - d. Any applicable public facility plan adopted pursuant to a statewide planning goal on public facilities and services;*
 - e. Any applicable comprehensive plan;*
 - f. Any applicable concept plan; and*
- 2. Consider whether the boundary change would:*
 - a. Promote the timely, orderly and economic provision of public facilities and services;*
 - b. Affect the quality and quantity of urban services; and*
 - c. Eliminate or avoid unnecessary duplication of facilities or services.*

E. A city may not annex territory that lies outside the UGB, except it may annex a lot or parcel that lies partially within and partially outside the UGB.

CDC 81.050 (A)(2), requires compliance with Metro Code Section 3.09.050(d), and that Metro provision refers to Metro Code 3.09.045(D) and (E). These criteria are shown above, and addressed below.

Finding 5: Regarding Subsection (D), the City does not have in place an urban service agreement or an annexation plan. The City and County Comprehensive Plans designate this property to be developed as Low Density Residential. The City’s water, sewer, and surface water management plans anticipated annexation of this area and can accommodate serving this property.

As mentioned above, the City’s Comprehensive Plan contemplates annexation of this property to the City and designates it as Low Density Residential. The proposed R-7 zoning designation is consistent with the City’s Comprehensive Plan. It is consistent with Policy 7 in Goal 2: Land Use Planning that calls for low density residential zoning on lands with limited capacity for development because of existing services and development limitations due to topography, soil characteristics, drainage, high water table, and flooding. This property has a moderate slope which poses no development limitations. All City utilities are adjacent to the property. The R-7 zone, which is the most dense of the low density zones, is appropriate for the site. It is also consistent with Goal 10: Housing and Policy 2 for providing the opportunity for development of various housing types, including single family homes. The R-7 zone provides for single family detached and attached residences.

Regarding subsection (D) (2) staff finds that annexing the property and subsequent development will provide the City with frontage improvements on Bland Circle and the extension of Tannler Drive (including curb and sidewalks). The extension of Tannler Drive would serve the Transportation Planning Rule and the need for improved connectivity in this area. Regarding unnecessary duplication of facilities or services, by annexing the property, it would eliminate the need for Clackamas County Sheriff's officers having to respond to properties well within the City limits.

Regarding subsection (E) staff finds that the property lies within the Metro Urban Growth Boundary. The criteria are met.

81.055 ZONING DESIGNATION

A decision on annexation shall also incorporate a decision on a zone change. The applicant may concurrently apply for a comprehensive plan amendment if desired. Any approval of an annexation shall designate the City zone to be applied if the annexation is approved by the voters. The City zone shall be designated based upon the existing West Linn comprehensive plan/land use designation, pursuant to the following table:

| COMPREHENSIVE PLAN/LAND USE DESIGNATION | ASSIGNED ZONING DISTRICT |
|--|---------------------------------|
| Low Density Residential | R-40, R-20, R-15, R-10 or R-7 |
| Medium Density Residential | R-5 or R-4.5 |
| Medium High Density Residential | R-3 or R-2.1 |
| Mixed Use | MU |
| Commercial | NC, GC, or OBC |
| Industrial | GI or CI |
| Other | FU-10 |

Finding 6: The Comprehensive Plan designation for this property and surrounding properties is Low Density Residential, which permits R-7 to R-40 zones. The applicant proposes and staff recommends an R-7 designation, which would be consistent with surrounding zoning to the north, south, east and west. The only R-10 zoning is to the southwest across Bland Circle. The criterion is met.

| Direction | Comprehensive Plan designation | Zoning | Land Use |
|-----------|--------------------------------|--------------|---------------------------------------|
| West | Low density residential | R-7 | 5 lot subdivision under development |
| East | Low density residential | R-7 | 11 lot subdivision under development |
| North | Low density residential | R-7 | Bland water reservoir (City property) |
| South | Low density residential | R-7 and R-10 | Single family homes |

Where the City Council has discretion to apply zoning, the Council shall consider the following factors in making its decision:

- A. Specific site characteristics such as topography, drainage, and existing vegetation.
- B. The existing zoning and development patterns of surrounding properties.
- C. The capacity of the City to provide road, sanitary sewer, storm drainage, and water service to the site.

Finding 7: The property has an average slope of 10 percent from its high point of 530 feet at the north or rear of the property down to Bland Circle, which has an elevation of 500 feet. The property is home to a stand of trees, predominantly conifers, which enclose a large single family home. Several of the trees are likely to be classified as significant. There is also a small accessory structure at the south west corner of the property near Bland Circle.

Regarding existing zoning and development patterns of surrounding properties, staff finds surrounding properties are zoned R-7. Staff recommends an R-7 zoning designation. The pattern of development indicates ongoing urbanization. Subdivisions have been approved on both east and west sides of the property. However, there is no subdivision plan proposed at this time. The criteria are met.

**CITY OF WEST LINN
CITY COUNCIL
PUBLIC HEARING NOTICE
ANNEXATION OF 2.126 ACRES AT 23128 BLAND CIRCLE
FILE NO. ANX-14-03**

The West Linn City Council, is meeting on **Monday, July 14, 2014**, starting at 6:30 p.m. in the Council Chambers of City Hall (located at 22500 Salamo Road, West Linn, OR), to consider an annexation request for a 2.126 acre parcel at 23128 Bland Circle. The applicant is requesting an R-7 zone designation, single family residential with a 7,000 square foot minimum lot size. The area is identified by Clackamas County as assessor's map 2S 1E 35B tax lot 500. The decision will be based on the criteria of Community Development Code, Chapter 81. The approval criteria from the CDC are available for review at City Hall, at the City Library, and at <http://www.westlinnoregon.gov/cdc>. This annexation petition is subject to the expedited process unless a "necessary party" gives written notice of its objection to the boundary change. A "necessary party" is defined as any county, city, district, or unit of local government that includes any part of the affected territory: 1) in its jurisdictional boundary or adopted urban service area; or 2) in any agreement providing an urban service.

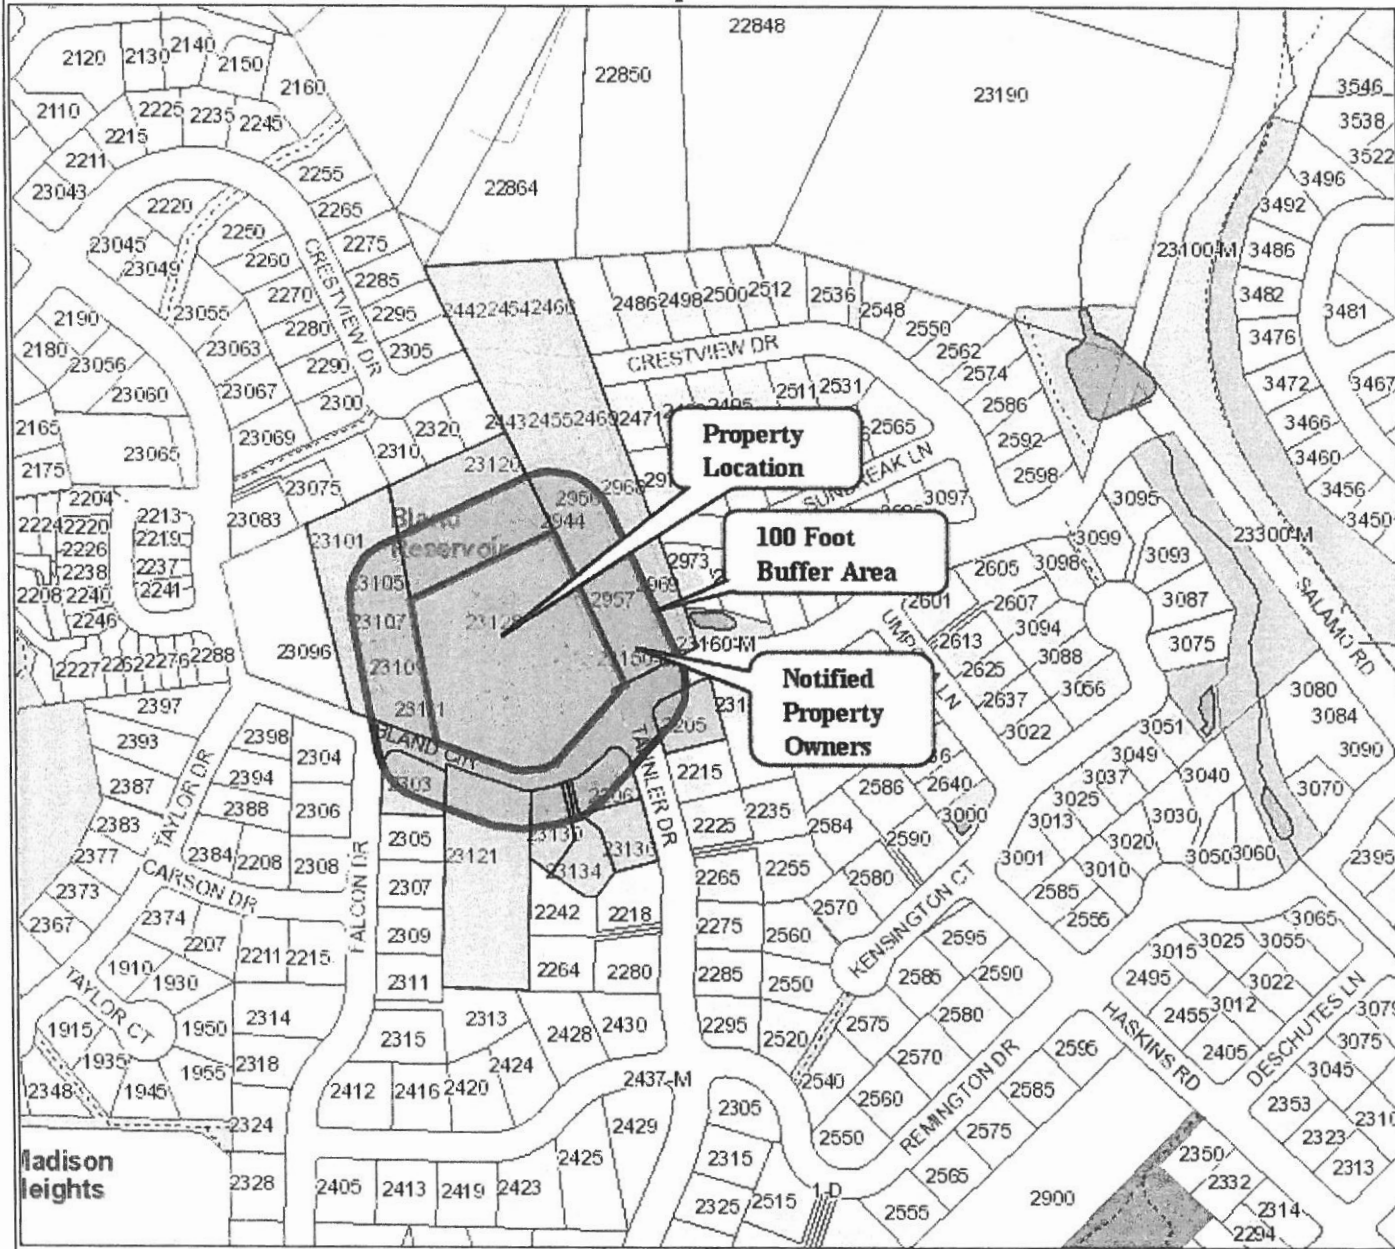

The City of West Linn has a two-step process for consideration of annexation requests. Step 1 will include a hearing to consider the land use aspects of the annexation request. Step 2 is a policy decision. The Council may, in its discretion, pass a resolution placing an annexation request on a ballot before the voters, as required by the City Charter. An annexation to the City is not effective unless it is approved by a majority vote among the City's electorate. If the City Council approves the Step 2 portion of the annexation, the Council will set a date for the election. Staff is recommending a November 4, 2014, election date if the annexation application is approved.

The annexation application is available for inspection at City Hall or via the web site at <https://westlinnoregon.gov/planning/23128-bland-circle-annexation-2126-acres>. Copies of the annexation application can be obtained for a minimal charge per page. At least 10 days prior to the City Council meeting, a copy of the staff report will be available for inspection at no cost. For further information, please contact Peter Spir at 503-723-2539 or at pspir@westlinnoregon.gov.

Failure to raise an issue in person or by letter at some point prior to the close of the meeting, or failure to provide sufficient specificity to afford the decision maker an opportunity to respond to the issue, precludes an appeal to the appellant body with jurisdiction based on that issue.

**RESOLUTION NO. 2014-9
WEST LINN, OREGON**

**A RESOLUTION TO SUBMIT A MEASURE TO VOTERS TO ANNEX 2.126 ACRES OF REAL PROPERTY
AT 23128 BLAND CIRCLE**

WHEREAS, the 2.126 acres of real property at 23128 Bland Circle are located within the Metro Urban Growth Boundary and are eligible for annexation into the City of West Linn;

WHEREAS, the City of West Linn Comprehensive Plan contemplates the annexation of this property and designates it as low density residential;

WHEREAS, the City of West Linn public facility plans anticipated annexation of this area and can accommodate serving this property;

WHEREAS, the West Linn City Council approved Step 1, the land use decision to annex the real property; and

WHEREAS, the West Linn City Council approved Step 2, the policy decision; and

WHEREAS, the West Linn City Charter requires a vote of the citizenry for the annexation of any territory.

NOW, THEREFORE, THE CITY OF WEST LINN RESOLVES AS FOLLOWS:

SECTION 1: An election is hereby called in and for the City of West Linn, Clackamas County, Oregon, for the purpose of submitting the following question to the legal voters of the City: Shall the City annex 2.126 acres of real property at 23128 Bland Circle?

SECTION 2: Tuesday, November 4, 2014, is designated as the date for holding the election for the purpose of voting on the measure. The precinct for the election shall be all of the territory within the corporate limits of the City of West Linn, and the election will be conducted by the Clackamas County Elections Department by mail.

SECTION 3: The City Elections Officer is directed to publish notice of receipt of the ballot title in the West Linn Tidings or The Oregonian in compliance with ORS 250.275(5).

SECTION 4: The City Elections Officer shall file the ballot title with the county clerk as required by ORS 254.095 and include the proposed measure in the statement of city measures to be voted on.

SECTION 5: City staff is directed to prepare an Explanatory Statement for the measure and submit it for inclusion in the voters' pamphlet as provided in ORS 251.345.

SECTION 6: The ballot title to appear on the ballots shall be:

CAPTION

Annexation of 2.126 acres into the City of West Linn

QUESTION

Shall the City annex 2.126 acres of real property at 23128 Bland Circle?

SUMMARY

West Linn Charter, Chapter 1, Section 3 requires that annexation of any territory be approved by the voters of the City, unless state law mandates otherwise. This measure, if approved, would annex 2.126 acres of real property at 23128 Bland Circle. The West Linn City Council has determined that the proposed annexation complies with all relevant land use criteria for annexations. Upon annexation, the City would designate the zone of the property as R-7, single family residential with a minimum 7,000 square foot lot size. City water, sewer, surface water, and transportation system plans anticipate annexation of the property and it can be provided with services. If annexed, the owner would be subject to City taxes and fees.

SECTION 7: If a majority of eligible voters vote “yes” on the measure, the City will annex the 2.126 acres of real property at 23128 Bland Circle. The City’s Comprehensive Plan contemplates the annexation of this property and it is designated a low density residential. The public facility plans anticipate annexation of this property and the City can accommodate serving this property.

This resolution was PASSED and ADOPTED this 14th day of July, 2014 and takes effect upon passage.
