Meeting began at 6:00 p.m.

Discussed:

- Chief Terry Timeus' new assistant, Toni Tracy, was introduced to the committee. She will be taking the meeting minutes for the Public Safety Committee meetings.
- Discussed the Emergency Preparedness Fair, March 8, 2011. Tentatively planned for the Willamette Christian Church across the street from City Hall. Planning on holding the fair from 3 p.m. – 8 p.m. Hopefully, this will assist in having more people just drop by – expected attendance 80-300. There will be different stations, i.e., PGE, NW Natural Gas, and Tualatin Valley Fire and Rescue will have their “smoke room.”

Old Business:

- On the old business was Emergency Preparedness Fair, discussed previously at this meeting.

New Business:

CITY OF West Linn

- Discussed possibly getting banners up in West Linn for the Emergency Preparedness Fair.
- Newspaper article on the Aquatic Center in paper. Aquatic meeting 01/27/2011 at Rosemont Ridge M.S from 7-9 p.m.
- City Council facility meetings Jan. 28 and Jan. 29 at City Hall at 6:30 p.m.
- Denny asked if anyone had changes to the report to council for the advisory board before he submitted it to the City Council. There were no changes.
- It was mentioned that some citizens are saying they voted on some stuff already for the new police department and they are concerned what they already voted “yes” on is now not being done.
- Possibly have Greg Swanson at the next meeting to discuss satellite internet connection phone/internet that Clackamas County has bought. The cost is possibly over \$5000 with all the set up.

Meeting was adjourned at 6:30 p.m.
