

# CITY OF WEST LINN

## 2013 Road Improvement Program

### PW-13-07

ROAD IMPROVEMENT PROGRAM  
GENERAL NOTES

1. All construction shall conform to the latest ODOT Standard Specifications for Construction, ODOT Standard Drawings and City of West Linn Public Works Standards.
2. This set of plans has been reviewed for compliance with City of West Linn requirements prior to issuance for construction. However such review shall not prevent the City Engineer from requiring correction of errors or omissions in plans found to be in violation of any law or ordinance.
3. The City Engineer does not warrant any quantities shown on these plans.
4. The Engineering Division, Inspection Section shall be notified twenty-four (24) hours prior to any construction work by telephone at 503-722-5501. Any work concealed without inspection shall be subject to removal and replacement at the Contractor's expense.
5. Any approved set of plans must be available on the job site at all times. The contractor's representative (capable of communicating with the City's representatives) shall be on the job at all times the work is being pursued.
6. The Contractor is responsible to provide emergency telephone numbers to the City of West Linn at time of receiving Project to Proceed Notice and have personnel available 24-hours a day to respond to emergencies. If the City is required to respond and make emergency repairs on behalf of the Contractor, the Contractor is responsible to reimburse the City for all costs incurred.
7. It is the Contractor's sole responsibility to verify the presence and location of all existing utilities that may interfere with this construction, whether or not said utilities are shown on the construction plans for this project and to adequately protect and maintain any such utilities.
8. Contractor shall submit a detail construction schedule to the City Engineering Division for review and acceptance prior to construction.

TRAFFIC CONTROL GENERAL NOTES

1. No road closure shall be allowed without City Engineer's prior approval as delegated by the City Manager.
2. Traffic control shall conform to the ODOT Temporary Traffic Control Handbook and MUTCD. The Contractor shall submit a Traffic Control Plan to the City of West Linn Engineering Division for review and acceptance a minimum of 48-hours prior to construction. A copy of the accepted Traffic Control Plan must remain on the job site at all times.

CONSTRUCTION NOTES

1. The first layer of paving shall be placed within 5 working days of pavement removal (milling) operations on all City streets. Failure to begin paving with this time will result in the assessment of liquidated damages.
2. Existing water valve boxes not Vancouver Style shall be replaced as part of value adjustments. City of West Linn will provide Contractor with Vancouver Style water valve boxes for replacement.
3. Any curb removal and replacement due to installation of a new inlet will be considered incidental to the cost of the inlet line item with no additional compensation.
4. Contractor shall be responsible for providing proper inlet protection during construction with no additional compensation for erosion control.
5. Pipe bedding and trench backfill are incidental to pipe. City will also accept site pavement millings for backfill under pavement with concrete pipe.
6. All transverse pavement marking and symbols will be by others.
7. Water used for construction must be filled at the designated fire hydrant located in front of second driveway entrance at the Willamette Market Place on 8th Avenue - West of 10th St and South of I-205. No hydrant meters will be provided.
8. Wilderness Park Parking Lot located off of Skyline Dr will be the only designated stage area allowed.
9. WORKING HOURS:           7:00 AM - 7:00 PM Monday - Friday  
  9:00 AM - 5:00 PM Saturday - Sunday & Holidays
