

**ADDENDUM NO. 3
TO THE BID DOCUMENTS FOR
City of West Linn
Blankenship Road PGE Improvements
Project # PW 0910**

This addendum is hereby made a part of the contract documents to the same extent as though it were originally included therein.

Engineering Department
City of West Linn, OR
22500 Salamo Road #800
West Linn, OR 97068
503-722-5519, FAX 503-656-4106

Issued: December 1, 2009
Issued by: Boris Piatski
Project Manager

This addendum is a result of the previous two addendums to be summarized in the final Base Bid. If option **2a Boring** is selected for the full project or partial, item **9. 4" Pavement Restoration** could be estimated as "0" and all necessary restorations shall be included in the Lump Sum for item **2a Boring**.

- 1. Replace Page 24 of 42. Base Bid for Blankenship Rd. PGE Improvement with Revised Base Bid For Blankenship Rd. PGE Improvement. See attachment.**
- 2. Add the Bid Item Descriptions:**

BID ITEM 2a – BORING (If selected) Payment for "Boring" shall be made from the lump sum price as set forth in the Bidder's Bid similar to Bid item#1.

The contract lump sum price paid for Boring shall include full compensation for furnishing all labors (include flagging costs and traffic control), materials, tools, equipment, and incidentals, and for doing all the work involved in boring new conduits per PGE standards and specifications per approved plan.

BID ITEM 13 – ROCK EXCAVATION Payment for those items shall be made at the price per each cubic yard excavated as set forth in the Bidder's Bid. The dollar amount paid will be equal to the amount of those measures actually implemented if rock will be encountered and acknowledged by the City Staff.

The contract price paid per cubic yard of rock excavation shall include full compensation for furnishing all materials, labor, tools, equipment, and incidentals and for doing all the work involved in the dig out and disposal of rock, including sawcutting and removing the pavement, backfill with sand and ¾"-0 compacted as per PGE specifications, as specified in the Standard Specifications and these special provisions, and as directed by the Project Manager and complete clean up.
